

Planning Subcommittee Meeting
of the
Bicycle Advisory Committee of the City of Los Angeles

MINUTES
For
July 21, 2009
LADOT Offices – Caltrans Building
100 S. Main Street
Los Angeles, CA 90012

1. Members in Attendance: Kent Strumpell, Jonathan Weiss, and Jay Slater.
2. Review and Adoption of Minutes – May minutes adopted.
3. Bicycle Plan Update – Draft documents are being finalized for release to the public. Planning and DOT staff are meeting with Alta to finalize the document for release to the public and to schedule the Public Workshops.
4. Exposition Light Rail Phase II LRT Bikeway – A discussion was held about the progress of the bikeway element of LRT project with an overview of specific intersection designs. Bikeway staff is working through the environmental process to prepare the project for integration with LRT project that is to be bid in early 2010. Planning Subcommittee will recommend the full BAC take action on improving the design of the Pico Gateway intersection to the Exposition Authority.
5. Meter Post Conversion Pilot Project – Bicycle Outreach and Planning staff provided an overview of the project and plans for future expansion of the pilot which are tied into the success of the Smart Meter/Paystation pilot.
6. Public Comments: None.
7. Adjournment: 3:05 PM.
